DBS Check	A check on an individual against the Disclosure and Barring Service (DBS) register. This checks for spent and unspent convictions, cautions, reprimands and final warnings, plus any additional information held by local police that's reasonably considered relevant to the role of the person being checked. The outcome is totally confidential, and the GSL will only be informed that the person is deemed to be either satisfactory or unsatisfactory for the role.

This includes such activities as games and activities during a Section meeting. Risk Assessments need not be written down for minor activities, but for events such as camps or outings a written Risk Assessment is required. Most Scout Campsites provide pre-prepared Risk Assessments relating to all activities available on that site.
Young People	Anyone under the age of 18 years.

- g. The Administration of the Group is led by the Group Chairperson and exercised through the Group Executive Committee.
- h. The Executive Committee will consist of the Group Chairperson, Treasurer, Secretary, GSL, all AGSL's, all section leaders, Chairperson of the Sub-Committees, Group Quartermaster and any persons nominated by the GSL or co-opted by the Committee. A Quorum for the committee shall be two officers, the GSL (or AGSL) and three other members. The nomination of members will be done in accordance to POR and Charity Commissioner guidelines.
- i. The Executive Committee will set a membership fee for all members for each year. For young people this will be payable monthly in advance by standing order only. From September 2017 the monthly fee (subs) is £15:00.
- j. The Group will maintain a good set of records in the form of minutes of meetings from the AGM, Executive, Sub-Committees and Scouters' meetings.
- k. A basic record giving name, address, telephone number, date of birth and any special medical condition will be maintained for each young person in the Group. This record will be kept on a secure database. No information contained on the database will be given to any other body outside of Scouting. All members, parents and guardians will be informed of this and will be given an opportunity to object to, or review the information held on their child(ren).
- l. The majority of the Group Sections meet at New Ash Green Youth Centre. Wilderness Scout Troop meet at the New Ash Green Village Hall. The Group pays rent for the hire of both premises.
- m. The Group owns all equipment held by the Group and its Sections. This equipment is primarily for Group use. Equipment can only be loaned with the permission of the Group Scout Leader or an Asst Group Scout Leader. Where equipment is loaned out a reasonable donation will be expected.
- n. This Information Manual may be revised or amended from time to time. Any such amendments or additions must be approved by both the Group Scout Leader and Group Chairperson. The Group Executive Committee (GEC) must be informed of any changes at

the earliest reasonable opportunity, and in any event at the next GEC Meeting following any changes. This Manual was last updated in August 2020.

2. Aims

- a. The aim of the Group is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local, national and international communities. The method of achieving the Aim is by providing an enjoyable and attractive scheme of progressive training and activities based on the Scout Association Promises and Laws and guided by adult leadership team and POR.
- b. The Group aims to ensure that no young person is excluded from Scouting activities on financial grounds, when we have the ability to assist them.
- c. The Group aims to minimise the cost of direct Scouting to parents and guardians by indirect fundraising activities that encourage companionship and enjoyment for its supporters.
- d. The Group aims to encourage future leadership from within its own group membership and provides all essential leader training at no cost to the individual. Adventurous Activity and further training will be assessed on an individual basis in consultation with the Scout District.
- e. The Group aims to maintain all its facilities and equipment in the best possible condition and to strive to improve them where possible.
- f. The Group considers all parents to be part of the Group and expects parents to participate and support the aims. The Group expects parents to support the key events of the year including the AGM, Scouts' Own Services and Fundraising Events.
- g. The Group aims, through the Group Executive, to ensure the continued financial security of the Group, both in the short term and the long term.
- h. The Group aims to support children with special needs where possible, subject to the availability of trained leaders and applicable equipment and facilities.

- b. All sections of The Group are open to both male and female membership.
- c. All leaders and children should attend meetings punctually and in full uniform unless otherwise stated.

Attendance at Section Meetings

- d. Beavers, Cubs, Scouts or members of the Excelsior Explorers who do not attend regularly lose out by not having the opportunity to complete their badge work, their attendance patterns have a detrimental effect on the rest of their section and they can create problems for the leaders in organising activities. They are also depriving another child of a place in that section as Ash Green Scout Group has a waiting list for each.
- e. A pattern of non-attendance amounting to a total of a half-term's meetings (with no notification to a Leader of the Section) in any one term will result in the young person's membership being revoked and their name being added back to our waiting list. However, if a Leader of that Section is notified by the parent/guardian that the young person is ill, their absence will be recorded and not count towards any non-attendance pattern.

7. All activities by a section (camp, outings etc) must be self-financing - directly through payment by parents etc, and possibly (where appropriate, and where finances permit) part

subsidised from the section budget. Where, exceptionally, the cost of the camp/activity is likely to be unduly prohibitive, the Section leader should approach the Executive Committee BEFORE promoting the activity/camp and negotiate a Group subsidy. If Section Leaders exceed the recommended POR ratio of Leaders at camp, permission must be agreed by the GEC to cover any shortfalls.

8. Group funding is provided to cover camp costs for the required number of Leaders (and Parent supporters) as stated in POR. and any of their children below Beaver age. Non-Scouting children of Beaver age or older are to be paid for in full (non-subsidised) by the leader/parent concerned.

- g. The level of any approved funding will be determined solely by the Group Executive Committee.

8. Discipline and Behaviour

All sections operate a discipline policy. In the case of repeated bad behaviour, the group operates the following system:

- a. After a verbal warning to the child the Leader can take the decision to approach the parent. If no improvement the child can be suspended for one/two weeks. If bad behaviour re-occurs the child can be dismissed from the group.
- b. No Beaver Scout, Cub Scout, or Scout may be dismissed from the Group without the approval of the Group Scout Leader.
- c. Any member who is dismissed has the right of appeal to the District Commissioner. If so requested by the person dismissed, the District Commissioner may appoint a committee to hear the appeal.
- d. If a child is dismissed, the GEC should be informed by the GSL at the next available meeting, and the fact that a child has been expelled should be minuted as a permanent record. The GEC do not need to know the name the child. It is expected that the GSL will normally support the Section Leader's decision to exclude / expel a child unless there are overwhelming reasons why the exclusion/expulsion should not take place.
- e. Bullying, swearing or inappropriate actions are not tolerated. All incidences must be reported to the Section leader.
- f. Any complaints must first be brought to the Section Leaders attention. If no satisfactory conclusion can be reached the GSL must be contacted.
- g. Disagreements between children at camp or in meetings should in the first instance be dealt with by the uniformed leader team. Parents must NOT approach children or other parents directly. Leaders will attempt to resolve issues between children and approach and speak to parents privately where necessary. If this is not adhered to the adults involved will be asked to leave.

9. Alcohol, smoking and substance abuse

This policy is intended to set down the Group's rules regarding the provision and consumption of Alcohol during all Group activities. The basis of the policy is that UK law must prevail in all circumstances. However, where some interpretation or flexibility is allowed this policy should be adhered to. 12. Accident Reporting

- a. All accidents that take place at the normal meeting place, or on a Scouting activity, must be recorded on one of the Accident Forms which must be kept on the premises. The completed form should be removed from the pad and kept securely by the Section Leader. The responsibility for completing the entry lies with the person in charge of the meeting or activity.
- b. In addition, any accident which requires that the individual concerned be treated by a doctor, dentist, at a hospital, or requires attendance by any of the emergency services, must be reported to both Scout Association HQ and to the GSL immediately. The Scout Association Information Centre should be contacted on tel. 0845 3001818. Having taken the basic details, the information centre will issue an electronic form which must be completed and returned as soon as possible. The entry in the accident book should record that HQ has been informed and a copy of the completed report form passed to the GSL.
- c. Where a separate accident book has been maintained for an event (such as a camp), it is sufficient to enter a reference to this in the Group Accident Book providing the original record is maintained securely.

First Aid Kits

- d. A first Aid kit is available in both premises used by the Group. Leaders are responsible for informing the Group Quartermaster if supplies are low or have become out of date. Where items are used from the kit it would be helpful if this were noted on the accident pad.
- e. All sections undertaking an activity out of the Group Headquarters should carry a first aid kit with them. For camps this is mandatory.

Fire Safety

- f. All sections are required to ensure that their members are familiar with the instructions 'in case of fire' and carry out a fire drill at least twice a year at the premises they use.
- g. In the event of a fire, the priority must always be the safety of the people on the premises particularly the young people. The second priority is to call the fire brigade where necessary. Only when the person responsible for the meeting or event is certain all people are safe should there be any attempt to extinguish the fire. This should only be done where the person concerned is sure there is no danger to themselves.

- e. promoting the welfare of young people and their protection within a relationship of trust.
- f. All adults aged 18 and over within the Group are responsible for the operation of the Group's protection policy.

It is the responsibility of all adults to ensure that:

- h. they observe the rules established for the safety and security of young people and set out in the guidelines 'Young People First'; they follow the procedures following suspicion, disclosure or allegation of child abuse; they recognise the position of trust in which they have been placed; in every respect, the relationships they form with the young people under their care are appropriate.
- i. The Group Scout Leader must be satisfied that all those who assist in the Group are 'fit and proper' persons to carry out the tasks given and are aware of their responsibilities under the Group's child protection policy. In accordance with Scout Association policy all adult members who will be in contact with young people will be checked with Scout HQ and the Criminal Records Agency. This is known as a DBS Check.
- j. Occasional parent helpers who attend an event or camp involving an overnight stay where young people are present will also be required to undergo a DBS Check BEFORE attending the event or camp.
- k. Leaders should restrict communications on Scouting matters between leaders to the closed Group Leader facebook page only, and not use the general Group facebook page for inter-leader communication. The general facebook page should be used for general communication with, and between, Parents.
- l. No private e-mail or chat room conversations are permitted between any Leader and any child at all. If an e-mail communication is absolutely necessary, then the e-mail MUST be sent to the parent/guardian for onward communication with the young person.

14. Complaint procedures:

- a. Current Scout Association Factsheets will provide the course of action to be taken. Chapter 15 of POR provides all information in how to deal with complaints.

- c. Enquiries for membership etc. will be forwarded directly to the GSL.
- d. No pictures of named young people will be used. Permission to display a photograph will be sought from Adults where there is an intention to display their name.

- f. Care should be taken when advertising events and camps to ensure that young people are not put at risk.
- g. No information copied from other sources is to be used. In particular, no information which may have a copyright may be used.

16. Group Facebook Pages

The Group maintains a number of Facebook social media pages which are available to leaders, parents and supporters. The Facebook pages form part of a 'closed' group and is the primary reference point for information regarding the Group's activities.

- a. Access to the Facebook pages is granted, upon request, by the Facebook Group co-ordinators. The co-ordinators have absolute discretion as to whom access is given. Only the Group Scout Leader may over-ride any decision regarding access rights.
- b. Within the Facebook group are a number of sub-groups with specific access rights to Uniformed adult members of the Group. These groups are not open to parents, friends and supporters.
- c. The Group also has a dedicated closed group for the Excelsior Explorer Unit which young people who are members of the Excelsior Explorer Unit may join. The Excelsior Explorer Unit group page is the primary method of communication between all members of the section.
- d. It is conditional on any person using the Group's Facebook pages that no inappropriate content is posted, and that no external access is provided to anyone.
- e. Any photographs or other media placed on the Facebook Pages become the property of Ash Green Scout Group and will become subject to scrutiny. If anything placed on the Facebook pages is deemed to be offensive, inappropriate, or not in the true spirit of Scouting, the

Group will remove the offending post(s) and, if appropriate, exclude the member from subsequent access to the Group's Facebook pages.

17. Parental responsibilities and obligations

When a young person is invested as a member of the Group, parents/guardians are deemed to have accepted all the policies and rules set out in this document, together with any amendments or additions which may occur from time to time. Parents/guardians should read this document fully, and pay particular attention to the following:

Payment for activities, excursions, outings, camps etc.

- a. Parents/Guardians will be notified, well in advance, of forthcoming activities etc where additional payment is required and parents/guardians will be informed of the estimated cost and asked to confirm that their young person(s) will be taking part.
- b. Once you, as the parent or guardian have confirmed that your young person(s) will be attending, you will have entered into a financial agreement with Ash Green Scout Group and you will be expected to honour that agreement, regardless of whether your young person(s) finally attends the activity etc or not.
- c. For activities, camps, outings etc occurring within two months from the date you confirm that your young person will be attending, you will be liable for the full cost of the activity/camp etc unless Ash Green Scout Group are able to re-allocate that place. For activities/camps/events which occur more than two months in advance, it is possible to withdraw your young person and for your financial commitment to that activity/camp/event to cease provided that the Section Leader concerned is notified no later than two full calendar months prior to the activity/camp/event. **Please also refer to Section 5 (Group Financial), h & i.**
- d. A parent/guardian's failure to pay the agreed sum will result in the young person(s) being initially excluded from any Scouting activity or meeting, and may result in expulsion of the young person(s) from Ash Green Scout Group.
- e. In arranging such activities, the Group commits substantial funds in advance, on behalf of your young people, to secure the necessary places and the Group is not in a financial position to absorb losses created by parents/guardians who subsequently withdraw their young person(s) from attending and then fail to honour the financial agreement they entered into.
- f. In exceptional cases of financial hardship, or long term illness, your financial commitment may be waived by the Group – *provided that you have first discussed the matter with the Section Leader concerned (for illness) or the Group Scout Leader (for Financial hardship).*

Parental support for Group Fundraising

- g. The Group has an on-going fund-raising programme which aims to provide the finance for new and replacement equipment, support the financial obligations of the Group and, where possible, to subsidise the costs borne by parents/guardians on certain selected expensive camps or events.
- h. Parents are expected to support the fund-raising programme by becoming actively involved in two fundraising sessions per year. Typically, five fundraising activities are planned over a calendar year and parents may choose which events they would prefer to assist with. Fund-raising events will be publicised on our Group Facebook pages.

APPENDIX A RISK ASSESSMENTS

In order to ensure that all potential hazards have been considered in relation to the equipment and facilities, a Risk Assessment process will be used by the all Leaders when planning activities. It is simply a way of looking at what could go wrong and finding ways of preventing or minimising these potential problems.

Risk Assessments do not always have to be written but Leaders should go through a mental checklist to ensure activities are carried out in a safe manner.

However, if the activities include camps, hikes and other adventurous activities then the Risk Assessment **MUST** be in a written format and sent to the GSL and AGSL for approval. If the activity includes a Nights Away element then it **MUST** also be signed off by a Nights Away Permit holder if the person submitting it does not hold such a qualification.

The accepted format is shown in Appendix B.

Ash Green Scouts Risk Assessment Form

All adventurous/hazardous activities must have a risk assessment.

Activity:

What are the hazards?	Who might be harmed and how?	What are you already doing?	Do you need to do anything else to manage this risk?	Action by whom?	Action by when?	Done
